

KOMBU k62 lobby easy chair

design Mikko Halonen

Kombu Lobby easy chair designed by Mikko Halonen complements the versatile Kombu series. Kombu Lobby has same memorable and easily approachable shape as other members of Kombu series. A touch of modern style combined with high back rest makes Kombu Lobby an elegant choice in lobbies and meeting rooms. Thanks to its high back rest and swiveling seat sitting in Kombu Lobby is enjoyable.

Kombu Lobby – easy chair has a painted steel base which is also available with return mechanism. Seat is fully upholstered
