

TEMPO t33 chair

design Timo Saarnio

Dignified Tempo t33 chair is suited for locations which are looking for classic and timeless atmosphere. The appearance of the Tempo chair is delicate; the chair can be stacked efficiently. The legs and the horizontal frames are square 20x20 mm steel pipe. The seat and the back rest are form pressed plywood. The chair is available with seat upholstery. Glides for the legs come as a standard. The chairs can be stacked to the piles of 14 on the floor.
